

COURT SERVICE CENTERS

New Hampshire Probate Courts

General Information

What are the Court Service Centers?

The Court Service Centers are separate facilities within the court. They provide services and resources for all court users, including self-represented parties, attorneys and agency personnel.

What resources and services are available?

- Court Forms and Forms Instructions
- Procedural information
- Court Rules and statutes related to probate matters
- Daily court calendar information
- Work space
- Notary Services

Who staffs the Centers and how can they help?

Judicial Branch employees, called Service Center Coordinators, staff each Service Center. They have extensive experience with probate cases and are trained to provide assistance with completing court forms and answering questions related to estates, guardianships of adults, guardianships of minors, adoptions, marriage waivers, name changes, and trusts.
